

src/ack_core_math.h

```
graph TD; A[src/ack_core_math.h] --> B[stdbool.h]; A --> C[stddef.h];
```

The diagram illustrates a header file dependency. At the top, a box labeled 'src/ack_core_math.h' has two arrows pointing downwards to two separate boxes below it. The left box is labeled 'stdbool.h' and the right box is labeled 'stddef.h'. This indicates that 'src/ack_core_math.h' includes both 'stdbool.h' and 'stddef.h'.
